

OSTEEN

Mr. and Mrs. J. Webster Osteen visited their relatives here last week, en route home from Miami and Dania.

There will be a school picnic on Saturday after school closes Friday, with a fish fry on the river shore, either at Lemon Bluff or Hickory Slough. All the patrons are expected, with their lunch baskets, however small.

Mr. Laing's residence will be ready for occupancy in a few days, and his family will move from the Monro house.

We are very sorry to note the illness of our new neighbor, Mrs. Warren; but hope it will not last through the week. When there is sickness in this health-giving air, we call it an exception—never the rule.

Mrs. Hattie Brooks has purchased the property formerly known as the Voss house, on Main street, from Mr. John Sauls. Mrs. Brooks will have the building repaired, painted and use it for an Industrial school. This and the orphanage, when finished, will be quite fine attractions for Main street.

Last Saturday afternoon Mr. Brice, of Geneva, chartered the launch "Sophie" and came over for the children at the orphanage. They went to Sanford and spent the afternoon at the park.

Rev. Campbell Gray, of DeLand, gave the children of his Sunday school in DeLand a May picnic here.

THE INSANITY PLEA.

The following society incident is told by the Philadelphia Ledger:

"Sir," said the young woman, with what seemed to be indignation.

The young man looked embarrassed.

"Yes, I did kiss you," he admitted, "but I was impulsively insane."

"That means that a man would be a lunatic to kiss me?"

"Well, any man of discretion would be just crazy to kiss you."

This seemed to ease the strain, and no jury being present to muddle affairs a satisfactory verdict was reached.

Does Not Stimulate

Ayer's Sarsaparilla does not stimulate. It does not make you feel better one day, then as bad as ever the next. It is not a strong drink. No reaction after you stop using it. There is not a drop of alcohol in it. You have the steady, even gain that comes from a strong tonic and alternative. We wish you would ask your doctor about this. He knows. Trust him. Do as he says. J. C. Ayer Co., Lowell, Mass.

What are Ayer's Pills? Liver Pills. How long have they been sold? Nearly sixty years. Do doctors recommend them? Ask your own doctor and find out.
